The Second Cavalry Association' Biennial Reunion was held in the nation's capitol July 28 to July 31, 2005. The planning for the reunion was late getting started but it all came together beautifully, due to the efforts of Bill Bewely. His diligence was rewarded by his election to the Board of Governors and the possibility of his getting to plan and direct the next reunion also.

Throughout the events of the reunion, numerous first-time members attended. For the Friday Dinner, Lieutenant General (promotable) William "Scott" Wallace made a terrific presentation on the state of the Army and he tied the areas currently being stressed by the Army's leadership back to the attendees' time in the Regiment. The attendance was 110 at the dinner, and thirteen new memberships were processed at the reunion. Other high-lights of the reunion are described later in this issue.

One major bombshell was dropped on the Association at the first breakfast. The Army announced that week their new plans for unit designations and stationing. The good news for the Regiment is that it will continue to exist – the bad news for the current Regiment is that it will be re-designated as an Infantry Brigade (Stryker), and another Stryker Brigade will become the Second Cavalry and will be stationed in Germany again!

THE NATION'S FIRST and OLDEST UNIT-RELATED VETERAN'S ORGANIZATION

2D CAVALRY ASSOCIATION
FALL 2005

DEAR FELLOW DRAGOONS:

Thanks to everyone who went out of their way to attend our biennial reunion in July. The feedback has been almost universal that this was the best event in recent memory. It certainly was the best attended and had a wonderful agenda that included guided bus tours of our nation's Capital, terrific guest speakers (such as Lt. Gen. Scott Wallace, former 3d Squadron commander who will soon pin on his fourth star), as well as unscripted time to relax and just share stories with comrades. Bill Bewley did a magnificent job as reunion committee chairman and as 'punishment' he was elected to a term on the Board of Governors. Tom Wilson, our long-serving Secretary-Treasurer, also deserves a lot of credit for ensuring smooth processing of attendees and efficient clearing of our accounts with the hotel and the bus company.

Elsewhere in this edition you will find more information about the reunion and the business conducted at the various board and general membership meetings. There is also information on our scholarship award which we are revitalizing. One critical item that was not settled was a replacement for Tom Stewart who has done a great job of revitalizing *The Thoroughbred* as editor for the past several years. Tom has been gracious enough to give us ample warning of his impending retirement but we need someone to step forward soon to learn the ropes and ensure a smooth transition. Tom has also begun the revitalization of our "Sutler's Store" and has a list of high quality 2d Cavalry logo items available for sale, several of which he previewed at the reunion.

My last item is a request that you not only renew your dues but talk to at least one other 2d Cav vet and get him or her to join our association. If you are a life member not paying annual dues, you might consider a small donation to the general fund. We are now a legally recognized tax exempt organization and all donations are tax deductible.

Toujours Pret,

Tom Molino
President and
Chief Operating Officer

DC TOURS BIG HIT WITH MEMBERS

Bill Heidner

The lucky fifty (or more) members of the Association who went touring the sights of DC on Friday and Saturday thoroughly enjoyed the bus trips and scheduled venues provided by tour coordinator Dave Lewis. For what must have been the most reasonable deal in all of DC, association members boarded the luxury tour bus for tours of the Mall on Friday, and the Smithsonian's new addition to the Air and Space Museum on Saturday.

On Friday morning following the multi-course breakfast meal, members boarded the luxury bus, complete with tour guide, for a trip around the Mall. Flexible scheduling allowed the people to choose the venues they wished to spend their time at or to remain on the bus for a drive around tour. With the near record temperatures in the DC area many opted to remain mounted for a window tour and time to chat with friends, old and new alike. Others spent their time at museums of their choice, like the newly opened National Museum of the American Indian, or any number of the Smithsonian's holdings around the mall. Want to see the Hope Diamond? This dazzling blue diamond was on exhibit at the National Museum of Natural History. Many visited the war memorials that now mark the Mall as a place where American's may remember and honor those who fell defending our freedoms. Of particular interest to some was the recent addition of the WWII memorial, as well as the fairly new memorial to FDR.

Saturday's trip had a later SP time as the bus was to leave following the general membership meeting. This trip had a specific destination, the National Air and Space Museum's expanded facility at Dulles airport. The Stephen F. Udvar-Hazy center opened in December of 2003 and has quickly become the destination spot of our National Museum system. As impressive as the Air and Space Museum on the mall is, it only represents but a fraction of the museum's holdings. Where do you put the world speed record holder, the SR-71 Blackbird? How about a Space Shuttle? A B-29 Superfortress? And not just any old B-29, but the Enola Gay, fully restored and reassembled for the first time in 40 years. To see these special aircraft you only have to go to Dulles and the new museum, which is what our Tour Meister had laid on. With a special lunch at reunion coordinator Bill Bewley's Country Club, the day successfully capped the formal events held in conjunction with our reunion.

CHAPTERS REPORT

Bill Heidner V.P. (Chapters)

IAW Article XI, section 2D, of the 2d Cavalry Association constitution states that the Vice Chairman of Chapters will render a report regarding the status of the established chapters. This report will serve to meet that requirement as well as to inform our membership regarding the current status of our Chapters. When the Association gained strength from the returning veterans of WWII, those Ghosts of Patton's Army became organized and several geographical regions stood out as organized groupings of troopers. These organized groupings became Chapters. The Delaware Chapter, the East and the

West Carolina chapters, which were organized based on the ease of travel on the east or west side of the mountain range, and the Michigan chapter. In 1997, the Louisiana Chapter was formed in order to support the active duty Regiment at Fort Polk LA.

The formal report of Chapters is to be based on a formal report rendered from the Chapters to the National Board. As of the reunion, only one official report was rendered, so I will start off with reporting on that, the Michigan Chapter. Although Chapter President Will Burdick was unable to attend the reunion, his Michiganders were well represented. In the off years, Will has communicated via emails in order to keep the Board of Directors informed regarding the various activities of the Michigan Chapter. Glen Back carried the “official” report to the Board on behalf of Will, and a phone call helped connect us to Will, who really wished he could have been with us.

The Michigan Chapter continues to serve as the focal point for our veterans who find themselves located in the Wolverine State. With social gatherings and publications, particularly Will’s own book regarding his memoirs of service in the 2d Cavalry, the Chapter continues to uphold the finest traditions of service. Outreach and recruitment are also high on the Chapter’s list of things to do. This period of continuous service, commencing with their initial establishment in 1965, and continuing to the present, is a model for other chapters to follow. The Board of Directors of the 2d Cavalry Association wishes to recognize the Michigan Chapter for their meritorious and continuous service to the Association and our membership.

The Delaware Chapter was again ably represented at the reunion by Ray Thomas, while several members from the dual chapters of the Carolinas were in attendance. Several members of the Louisiana Chapter were in attendance, even though most of them have relocated. Isaac Golding had to remain in LA to keep the home fires going along with his (and other Association members) work at the Army’s Joint Readiness Training Center. While Isaac is not at work supporting crucial training rotations at Fort Polk, he remains active as the Association’s Webmaster.

With the movement of the Regiment to Fort Lewis, a re-assessment will be made of the Louisiana Chapter’s status, though preliminary findings indicate it still meets the criteria as set forth in the Constitution. Among other Chapter matters discussed by the Board was the potential for establishing a Regimental Chapter (rather than an installation or State based Chapter) which could then move as the Regiment does. Other potential new Chapters were discussed, and if any area or grouping wishes to have Chapter status, please contact Mr. Bill Heidner, currently located at the US Army Yuma Proving Ground, 928-328-3394 or email to william.heidner@yuma.army.mil.

While no Chapter currently exists in the northwest, there is a considerable number of members who live in this region. We would like to encourage these people to think about establishing a Chapter (Northern California, are you guys still out there?). The upcoming celebration of the Regiment’s 170th Birthday next May, to be held at Fort Lewis WA, will be a great opportunity (and party) that our members can go to and support our Regiment.

Always Ready Sir – Bill Heidner

NEWS FROM THE EDITOR

The 2005 Reunion in Washington D.C. was an outstanding success. Bill Bewley and his assistants did a fine job. Thanks, guys, from all members who attended!

Just as the newly flagged 2nd Cavalry Regiment became active at Fort Lewis, and as the boxes were beginning to be unpacked at the Reed Museum, the Army decided to re-designate units again to end up with the 2nd Cavalry Regiment, configured with the Stryker Vehicle, stationed at Vilseck, Germany. As of this writing, I do not know the exact details of the movements, but will hopefully have that information by the publication of the next Thoroughbred. The same is true for details of the Regiment's 170th birthday celebration that is being scheduled by the Regiment. If that celebration will occur, I will get the next issue published in time for those of you who might be interested to make arrangements to attend.

Major General (ret) Robert Wagner has resigned as the Honorary Colonel of the Regiment, and Colonel (ret) Beau Bergeron was selected by the Regiment to replace him. Thank you very much General Wagner. Your participation as an advisor to the Association's Board of Directors made a significant contribution to both the Association and to the Regiment. And welcome aboard to Beau with whom I served in the Regiment in 1981 and 1982.
